\$1,539,900

4 Bedroom, 3.00 Bathroom, 2,190 sqft

Residential on 0.17 Acres

Pump Hill, Calgary, Alberta

Tastefully updated and spacious, this bungalow in the highly desirable community of Pumphill offers over 4,000 sq. ft. of developed space with three bedrooms up, one down, and a total of three full updated bathrooms. The exterior features a fresh coat of paint, brand-new natural stone accents, and newly installed natural stone pavers at the front landing. Inside, the home has been beautifully updated with top end designer lighting package, all-new millwork and grand lofted shiplap ceilings, perfectly complementing the wood-burning fireplace, which includes a grandfathered gas igniter. There is a bright sun room with lofted ceilings including exposed feature wood beams that can be used as a sitting area or office. The kitchen and dining area are stunning, featuring modern quartz backsplash, ample updated cabinetry, a built-in breakfast nook, seating at the island, and a formal dining space. Top-of-the-line Miele appliances include a 36" induction cooktop, built-in wall ovens, and a Miele coffee maker. The main level boasts three bedrooms, including a primary suite with a walk-in closet, new built-in wardrobe, and an updated ensuite. The expansive lower level is designed for both relaxation and entertainment, offering a modern wet bar, a spacious entertainment area with new built-ins, a large gym, a games area, a dry sauna, a full bathroom, storage rooms, and a fourth bedroom. Additional features include central air conditioning, an

irrigation system, a built-in vacuum system, and an attached double garage that has been freshly painted.
